

Silvol Gazol 20W 50

SILVOL GAZOL oil is a premium quality low ash heavy duty gas engine oil suitable for highly rated spark ignition four stroke mobile engines requiring low ash levels. It has been formulated by blending of specially selected high viscosity index base oils fortified with additive packs most suitable for gas oils.

Product features:

- Excellent engine power for gas engines
- Good thermal protection
- Excellent valve train protection
- Good oxidation & nitration control
- Compatible with catalytic converter
- Provides excellent dispersancy, high temperature detergency combined with effective corrosion protection

Consumer benefits:

- Exceptional engine protection in high temperature
- Protects parts even in salty weather condition
- Optimised ash contents prolongs life of valves and spark plug
- Low oil consumption
- Low engine maintenance & longer battery life
- Smooth running in all climatic conditions

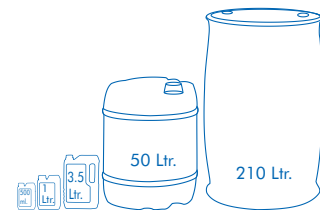

- The High Viscosity Index Oil helps in easy cold starting and retains adequate film thickness over a wide temperature range
- Very efficient anti-deposit and anti-black sludge power which maintains a clean engine

Applications:

- SILVOL GAZOL is recommended for lubrication of engines operating on LPG / CNG fuel and fitted in Cars, Buses, Auto Rickshaws, etc.

Performance level: API SG/CF 4, MIL- L-2103 D.
IS 13656: 2002

Available in :

API SG/CF 4 GRADE

SPECIFICATIONS

Sr.	Properties	SAE Grade
		20 W 50
1	Kinematic Viscosity, cSt@100°C	13 - 16
2	Viscosity Index, Min	120
3	Flash Point, COC, °C Min.	220
4	TBN, mg KOH / gm	6.0
