- Profile -

We are the leading manufacturers and exporters of high quality Tensile Membrane Structures, Polycarbonate Structures, Prefabricated Structures & Car Parking Structures. We are a trusted name in the field and have built our reputation over the years with the excellent products and service we offer. Our hallmark is superior quality, timely delivery and our capability to provide a host of valued added services on our range of products. Guru Nanak Shades and Structures were established in the year 1999 and have upheld its reputation for excellent and sustained service.

While our shade solutions are known for the difference they make and the wonderful shade protection environment they create, our tensile or fixed structures are known for their unique style and patterns, created through an inventive and forward looking approach. Be it the posh yet ground to earth publicity campaigns of BSNL, the bubbling ads of Pepsi, the mouth watering delights of Cream bell, the fun world of PVR Cinemas and the basic thought that warms you Barista; we rise to every challenge with ease and felicity.
