

**Silvol SP - 12, 22
Spindle Oils:**

SILVOL SPINDLE OIL is a specially blended oil from highly refined based stocks possessing excellent chemical and oxidation stability and further fortified with rust inhibitors, anti wear agents.

Product features :

- Good strength of oil film
- Excellent oxidation resistance and thermal stability
- Exceptional shear stability under severe operating conditions
- High resistance to foaming in services
- Prevents rusting and corrosion of metal parts

Consumer benefits:

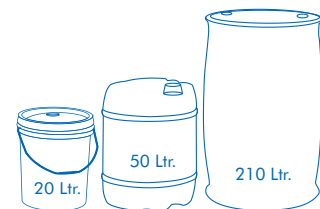

- Seal compatibility
- Protective film over the surface of the metal
- Free from suspended matter, grit, water or any other impurity
- Lowest fluid friction

Applications:

SILVOL Spindle oils are recommended for applications in textiles and machine tool spindle bearings, timing gears, positive displacement blowers and certain hydraulic system.

Performance level: IS 493:1993 - PART-I
