

# ASHA GROUP OF COMPANY

Corporate Brochure

We are one of the leading manufacturers and supplier of a comprehensive range of Industrial and Fabrication Products. These are available in various dimensions and specification, and extensively used in different industries.

## ASHA GROUP OF COMPANY

- Profile -

We, **Asha Industries, Thane**, incepted in the year **1979**, are well established manufacturers and suppliers of a qualitative range of **Industrial and Fabrication Products**. These products are available in numerous specifications, which can be customized as per the requirement of our clients. Our range is highly appreciated by our clients for the **optimum quality, durability, sturdy construction, corrosion resistance and low maintenance characteristics**.

Our organization is supported with advanced infrastructure, which is spread across a 40,500/- sq.ft of area. It is also equipped with the E-O-T cranes that have total handling capacity 20Tons, height below the crane is 7.5mtr. & 10 Tons and height below the crane is 5.5mtr. Furthermore, we have a team of highly experienced professionals who enable us in offering highly finish products to our clients. Our R&D team also conducts market research and surveys to keep themselves abreast with industry standards.

Under the aspiring guidance of our **Proprietor, Mr. Jagannath Raut / Mr. Amit Raut/ Ajay Raut**, we have carved a niche for ourselves in the competitive industry. They have vast experience in this domain and help us to offer quality products to our clients. With the support of our **Mentor, Mr. J. L. Raut**, we offer quality products and services to our clients at industry leading prices. Our ethical business policies, timely delivery services and superior range, we have gained a huge client base across the nation.
