Subject: A Proposal of training Workshop

Respected Sir,

As per our telephonic discussion, I am here with sending my proposal for the in-house training workshops at your esteemed organization. As you know, we are conducting training workshops on Soft Skills, Mind and Brain Skills, Life Skills and Management Skills. We are also conducting need-based training workshops.

I normally charge Rs. 8000/- per day (5 hours a day) + travelling expenses for the very effective training workshop but if you are offering training workshops in bulk, say minimum 24 days per year, I would offer you the same for Rs. 5000/- per day (5 hours a day) + travelling expenses if outside Ahmedabad. Charges for the training include designing materials (Master Copy) and delivering training. Your organization will provide the trainer conference hall, sound system, white board, marker and LCD projector.

I hope you will kindly consider my proposal and will let me know as soon as possible.

Thanking you,

Sincerely yours,
