

Silvol Gear Oil EP - 90, 140 Automotive Gear Oils

SILVOL GEAR OILS EP-90,140 is a multipurpose extreme pressure lubricants formulated from high viscosity Index base oil and further fortified with extreme pressure additives to ensure film presence and optimum lubrication between gear-teeth during operation in gear axles, differentials and transmission of automotive and heavy equipments.

Product features :

- Anti-corrosion, Anti-rust, Anti-friction properties
- Excellent wear protection of gear teeth
- Excellent oxidation resistance & thermal stability

Consumer benefits:

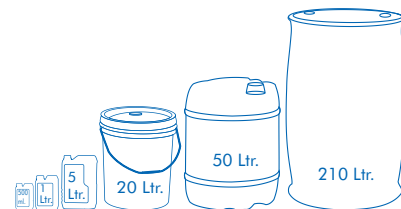

- Smooth gear changing and longer oil drain interval
- A balanced product, reduce unwanted sounds
- Free from suspended matter, grit, water or any other impurity

Applications:

- Recommended for use in hypoid, spiral bevel or worm gear transmission systems of cars, buses, trucks requiring GL- 4 type of gear oils.
- Recommended for use in gear boxes of construction equipment, industrial machines etc. Requiring GL - 4 type of gear oils.

Performance level: API GL- 4 , IS 1118 : 1992
MIL-L-2105.

Available in :

API GL-4 GRADE

SPECIFICATIONS

Sr.	Properties	SAE Grade	
		90	140
1	Kinematic Viscosity, cSt@ 40°C	17 - 20	28 - 34
2	Viscosity Index, Min.	95	95
3	Pour Point, °C Max.	-6	-6
4	Flash Point, COC, °C Min.	210	220

* The specifications are subject to variations / development / customization
