

## Silvol Force 40

SILVOL FORCE 40 is a high quality oil especially developed for use in Pump sets. This oil is fortified with carefully selected additives for optimum utilization in pump sets.

### Product features:

- Anti-corrosion, Anti-wear, Anti-friction properties
- Excellent oxidation resistance & thermal stability
- Excellent detergency & dispersancy level
- Compatible with catalytic converters

### Consumer benefits:

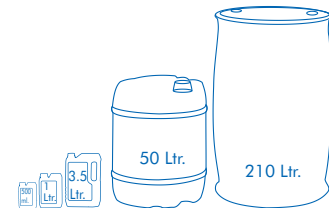

- Exceptional engine protection
- Increased engine life and longer oil drain interval
- Quicker oil pressure
- The High Viscosity Index Oil helps in easy cold starting and retains adequate film thickness over a wide temperature range
- Very efficient anti-deposit and anti-black sludge power which maintains a clean engine

### Applications:

- Recommended for use in agricultural diesel pump sets operating on diesel or LDO.
- Recommended for use in small stationery diesel engines for industrial use.

**Performance level:** API CC IS 13656:2002

### Available in :

API CC GRADE

## SPECIFICATIONS

Sr.No.	Properties	SAE Grade
		40
1	Kinematic Viscosity, cSt@100°C	13 - 16
2	Viscosity Index, Min.	95
3	Pour Point, °C Max.	-6
4	Flash Point, COC, °C Min.	210
