

KENNEDY *Spring Action*
QUALITY INDUSTRIAL TOOLING *Gripper Clamps*

The Spring loaded action is designed for speed and convenience, these multiple use clamps are used for holding a work-piece steady, or providing a 'third hand'. One hand operation gripping most materials, from wood to metal without damaging the surface. Ideal for woodworking and domestic use in the workshop, garden, garage etc. for gluing, clamping and gripping applications. Durable non-marking jaws pivot to hold irregular shaped workpieces and adjust instantly to any angle and shape to be clamped. Tough, durable and lightweight design. Contoured handle for non-slip grip with serrated jaws for extra firm holding.

Overall Length	Jaw Opening (max.)	Throat Depth	Weight Per 4	Order Code
120mm	40mm	45mm	248g	-5300K
150mm	60mm	65mm	250g	-5320K
210mm	90mm	100mm	772g	-5340K

Provides a Third Hand

Supplied in Packs of 4 Clamps

Gripper Clamp Set

Spring loaded clamps, as above.

12 Piece Set

Contents: 4 x 120mm, 4 x 150mm, 4 x 210mm.

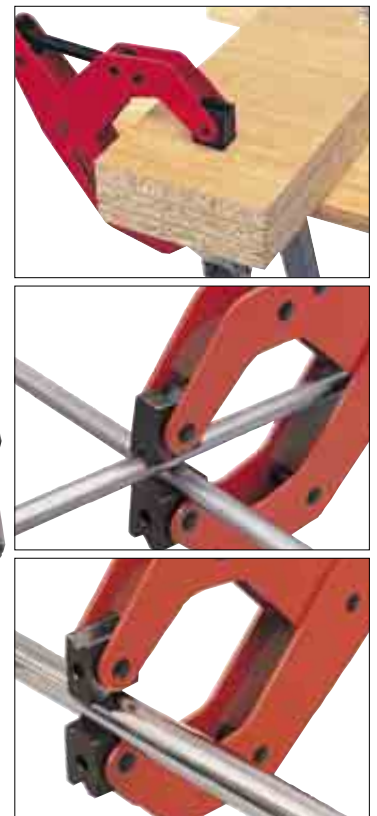

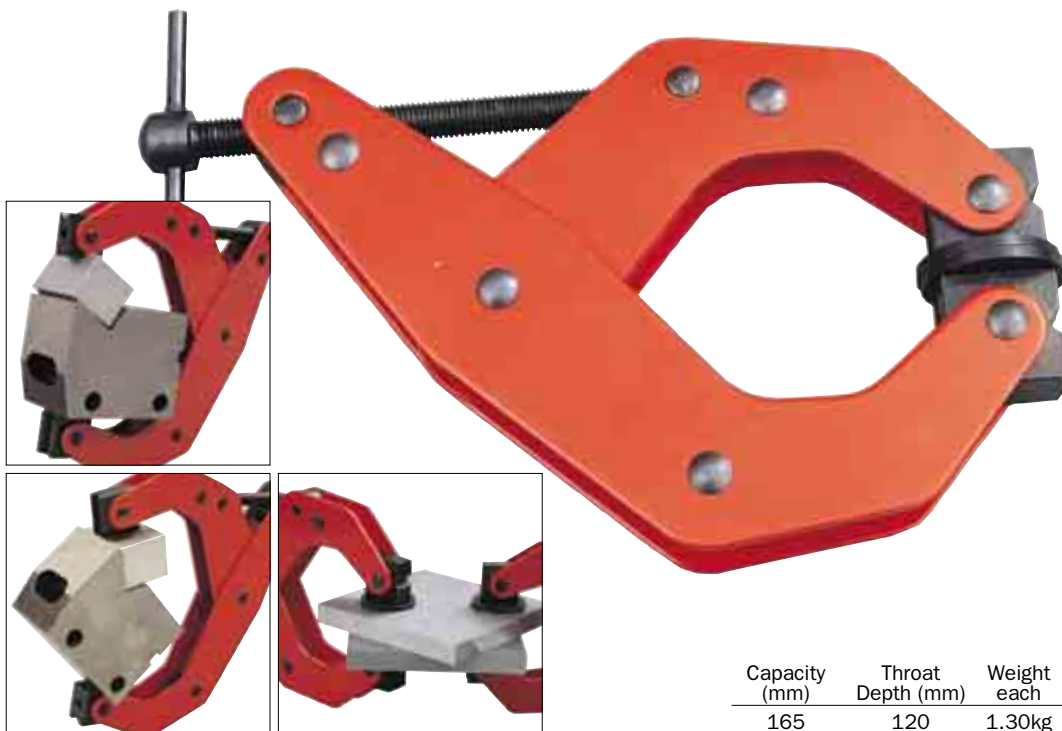

Number of Pieces	Weight	Order Code
12	1564g	-5400K

Cantilever Clamps

For light to medium duty applications. Deep throat for greater access. Fully rotational nylon padded jaws to clamp tubular, tapered, flat and irregular shaped objects without damaging delicate surfaces. The cantilever design eliminates twisting of the workpiece under final clamping. All metal construction with steel pivot pins and powder coat finish makes it ideal for assembly. Not recommended for heavy fabrication.

Capacity (mm)	Throat Depth (mm)	Weight each	Order Code
165	120	1.30kg	-6060K
