## Our company profile

- ***Company Started in 1994.***
- ***Employees: 250 Nos.***
- ***2 Factories: 1 Factory PCB Assembly / EMS services/Power Product/Lighting Products.***
  - 1 Factory Inverters /CTV receivers /chargers located in Noida Electronics hub near Panasonic/ LG/Sumsang.***
  - One Factory located in Uttarakhand Excise free zone.***
- ***Well Equipped R & D in Noida & Roorkee(Uttarakhand).***
- ***World wide sourcing of components.***
- ***Strong quality system.***
- ***Experienced Management***

## Our Core Biz

# PRO

- *Design assembling and Marketing of Inverters and Power Products.*
- *OEM /ODM assembly Services.*
- *EMS Services.*
- *CTV Manufacturing.*
- *CTV Chassis.*
- *Lighting Products*
- *Solar Sine Wave Inverters*

**PROTONICS**

**PRO**

**Why PROTONICS ?**

*Protonics Systems India Pvt. Ltd. is a professionally managed Electronics manufacturing company, situated close to New Delhi in the industrial township of NOIDA and is part of the Pentium group promoted by Mr. Anil Bhushan and Mr. S. Ramakrishnan who are senior technocrats in consumer Electronics industry. Between them they have more than 60 man years of experience in the field of design development, production and marketing of Electronic products in India and abroad. While the focus of the group has been in the areas of Video/Audio processing & reproduction; the main product lines are power products, Inverters, Color TV assemblies, Color TV's and EMS Services.*

# Our Strengths

- (1) 2 Assembly plants.**
- (2) Strong design team.**
- (3) In house Analog mixed signal design capability.**
- (4) Power Product design capabilities.**
- (5) Inverter design capabilities.**
- (6) Color TV design capabilities.**
- (7) International Components sourcing.**
- (8) Strategic relationship with semiconductor companies such as Sanyo/NXP/Toshiba.**
- (9) Strong Quality systems and trained Qc staff.**
- (10) Professional Management.**

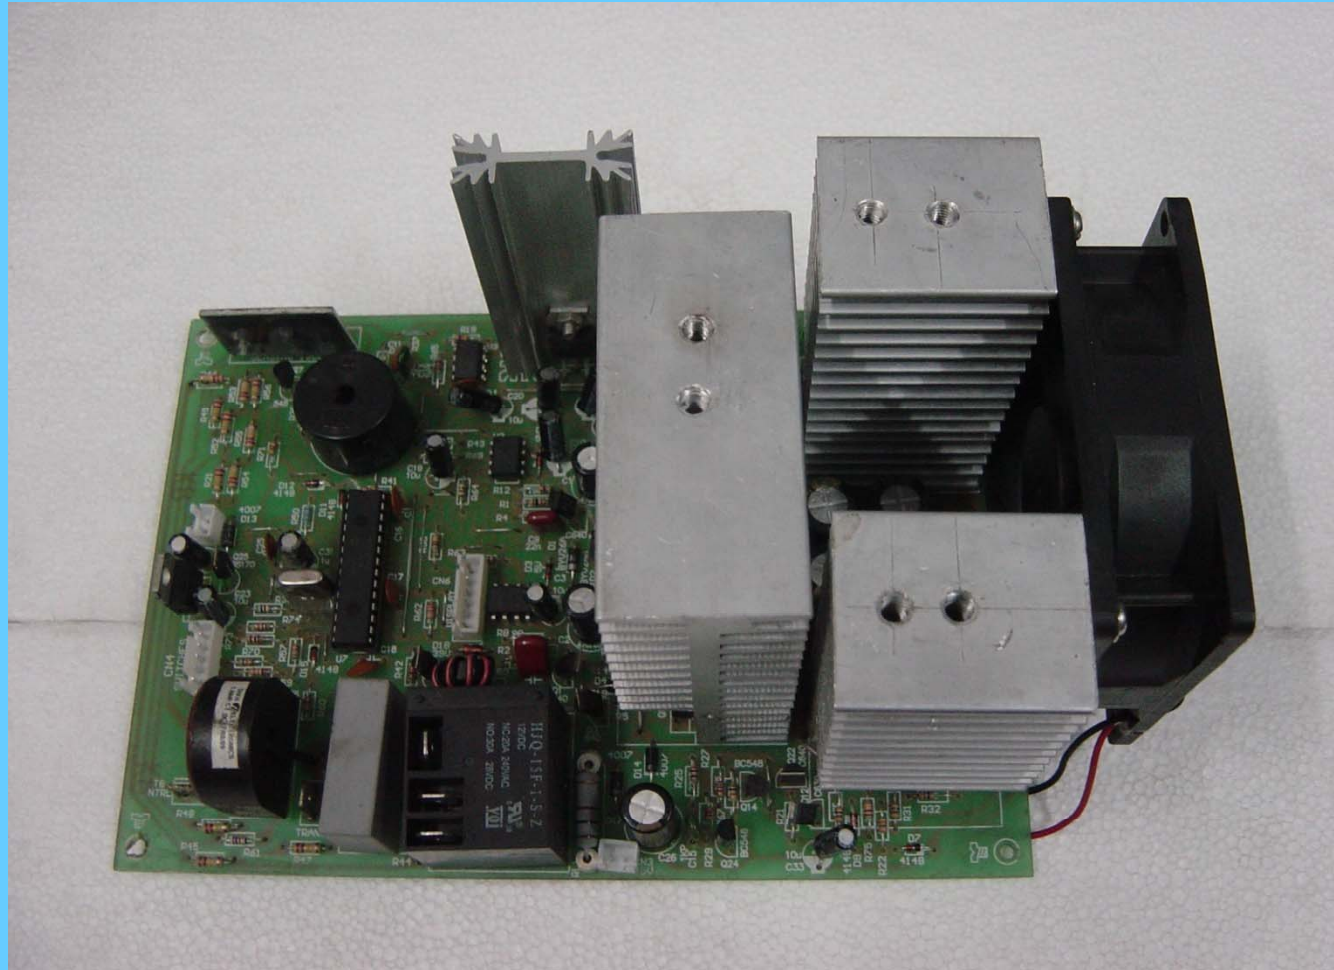

**PROTONICS**

**PRO**

# **Our Products**

- (1) *Inverters 100VA to 5KVA***
- (2) *Power Suppliers***
- (3) *Chargers***
- (4) *Emergency Chargers***
- (5) *UPS***
- (6) *Sine wave inverters PCB assemblies***
- (7) *Sine wave inverters***
- (8) *Solar Sine Wave Inverters***
- (9) *High Frequency Sine wave Inverters***
- (10) *CFL Ballasts***
- (11) *Fluorescent tube ballast***
- (12) *Fluorescent tube fittings***
- (13) *CTV Chassis***
- (14) *CTV receivers***

## CHARGERS

# PRO

# Emergency Charger

# PRO

- Fashionable Design
- Pure Aluminium body
- Works on One AA Battery (Normal Rechargeable)
- Input Voltage DC 1.5V
- Output Voltage 5.4+ 0.1V
- Output Current 380ma Maxmum
- Stand by Current 1ma
- Easy to Carry
- Suitable for Mobile Phones - MP3 / MP 4 Players PDA and I-POD
- Charging Capacity upto 2 Hours
- Available in Attractive Metallic Colours
