- Profile -

Established in 1998, we **Surya Industries** have emerged as a leading manufacturer and exporter of a wide range of **Cotter Pins, Washers and Wires** with a massive client base in global market. Manufactured using high grade metals, our well-engineered and carefully designed range can easily withstand extreme working conditions hence, widely finds applications in automation and engineering industries. To meet the specific requirements of our clients, we subject our entire range to customization in terms of designs and dimensions.

To manufacture these pins, we are supported by a robust infrastructure equipped with advanced machines such as automatic cutting, bending machine and wire straightening machine. Our fully automated infrastructure not only helps us in manufacturing but also helps us in testing our range on various parameters.

Under the able guidance of our mentor, **P.S.Suryawanshi / Mr. Amardeep Suryawanshi**, we have carved a niche for ourselves. He has an extensive industry experience and vast knowledge about the market, which helps us in providing a superior range and highly satisfactory deals to our clients.
