ABOUT SERVICES

The need for ISS SDB

In times fraught with crime and the threat of physical and financial loss, it takes just one name to put your fears to rest – ISS SDB SECURITY SERVICES PRIVATE LIMITED.

We are India's premier loss prevention company and have been casting our protective armour around a plethora of corporate houses, financial institutions, industries and select residences, since 1971.

An ISO 9001:2008 certification adds to our status as one of India’s leading providers of security services and effective loss prevention solutions.

We are a professionally managed organization with a nationwide presence and are geared to offer our services at even the most remote locations in the country.

We consider every client big enough to associate with and ourselves large enough to do so.

OUR STRENGTHS – EXPERTISE, EXPERIENCE AND TECHNOLOGY

Since our inception over three decades ago, we have consolidated ourselves and grown from strength to strength, support by these solid pillars.

This apart, we have a nationwide presence and a client base of about 1400 happy customers. Our BVQI certification is another testimony to our quest for excellence.

Giving us added impetus is easy access to our joint venture partner – ISS’s expertise in vital areas including ATM management, security audits and the latest in electronic security technology.

Small wonder then that we are recognized and respected across diverse sectors that have come to rely entirely on us for their security, safety and surveillance needs.
