

Silvol Magnum 20W 50

SILVOL MAGNUM 20W 50 is a super premium multi-grade oil. It is a blend of specially selected high viscosity index base oils and fortified with advanced additive packs.

Product features :

- Anti-corrosion, Anti-foam , Anti-wear , Anti-friction properties
- Very high thermal & oxidation stability
- Excellent detergency & dispersion level
- Anti thickening formula
- Reduced exhaust emissions

Consumer benefits :

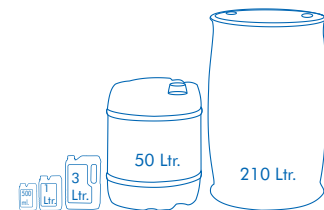

- Exceptional engine protection
- Increased engine life and longer oil drain interval
- Quicker engine start & longer battery life
- Maintains engine clean & sludge free
- Smooth running in all climatic conditions
- The viscosity at high temperature (SAE 50) is very adapted to high mileage engines, which tend to be heavy on oil. Leaves an oil film protection on engine's moving parts during winter period

Applications :

- SILVOL MAGNUM is suitable for naturally aspired and super charged, new generation petrol engines operating under severe duty conditions.
- Especially recommended for use in latest generation petrol engine cars manufactured by General Motors, Ford, Skoda, Maruti Suzuki, Hyundai etc.

Performance level : API SJ/CF, MIL- L-2104 D, IS 13656:2002

Available in :

API CD/SF GRADE

SPECIFICATIONS

Sr.No.	Properties	SAE Grade
		20W 50
1	Kinematic Viscosity, cSt@100°C	18-21
2	Viscosity Index, Min.	120
3	Pour Point, °C Max.	-21
4	Flash Point, COC, °C Min.	220
5	TBN, mg KOH / gm	6.0

* The specifications are subject to variations / development / customization
