

Sunrise Exports....estd 2000

Product : Rubber Bands

We provide extremely elastic Fluorescent Rubber Bands in various colors like, red, green, yellow and mixed shades.

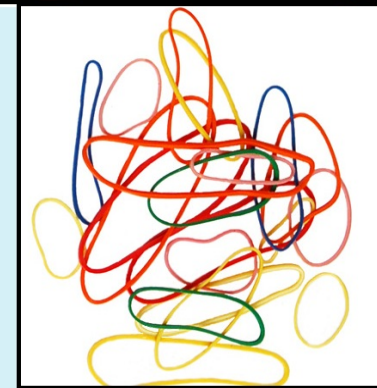

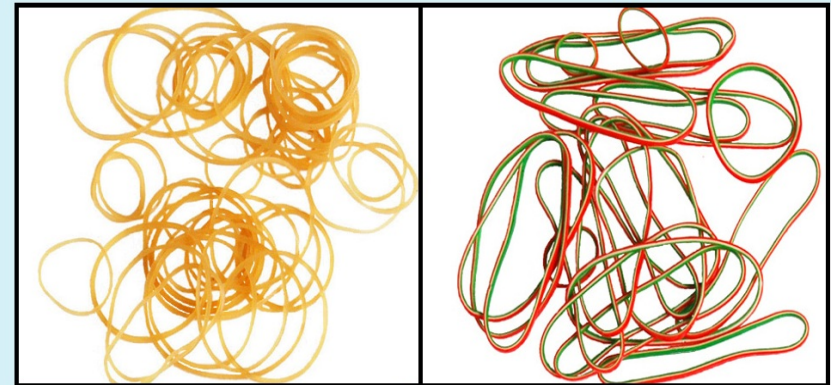

These are used extensively by flower bunching industry, jewelry making, wrapping gifts and other purposes.

The rubber bands have 100% latex content and the raw rubber material is of superior quality.

Our Rubber Bands are environmental friendly produced from pure natural rubber with high quality.

Our products pass through quality testing at every step of the production process - starting from the selection of raw materials and mixing of rubber compounds to the completion of final product.

We have an excellent team of professionals who use the most modern technology to ensure the optimum use of given resources and the supply of superior products

THANK YOU
