

Maruti Machinery Consultant

Corporate Brochure

We are one of the leading buyers, sellers and intermediary for used processing machinery. This includes individual machines, complete running and sick industrial units.

Maruti Machinery Consultant

- About Us -

With decades of experience Maruti Machinery Consultant buying & selling used machinery. We also act as an intermediary. We deals in chemical & pharmaceutical processing machinery, old industrial machinery, used solvent extraction plant, second hand industrial machinery, solvent extraction plant, edible & non edible oil refinery plant, oil mill machinery, food processing unit, cement plant, ceramic machinery, rubber & plastic machinery steam boiler, turbine, power plant, generator, transformer, etc.

We have the ability to ensure you are up and running in the shortest possible time. By listening carefully to the production needs of our customers we have been successful in providing only the right solution on every occasion. The fact that most of our sales are repeat-business from current satisfied customers is testimony that our approach to finding a solution rather than merely making a sale proves to be the right one.
