

Silvol Glide 30, 40, 50

SILVOL GLIDE 30, 40, 50 is a superior quality mono-grade engine oil formulated for both diesel and petrol engines made from high viscosity index base oils, friction modifiers, detergent dispersants and other high quality additives.

Product features :

- Ideal for both petrol and diesel engines
- Anti-corrosion, Anti-foam , Anti-wear, Anti-friction properties
- Excellent oxidation resistance
- Excellent detergency & dispersion level
- Compatible with catalytic converters

Consumer benefits :

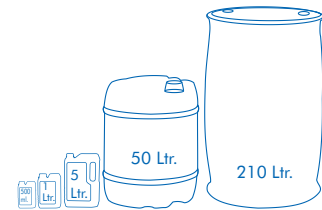

- Exceptional engine protection
- Increased engine life and longer oil drain interval
- Low engine maintenance & longer battery life
- The High Viscosity Index Oil helps in easy cold starting and retains adequate film over a wide temperature range
- Very efficient anti-deposit and anti-black sludge power which maintains a clean engine

Applications :

- Recommended for use in all naturally aspirated diesel engines fitted in trucks, tractors, buses, LCV's and generator sets
- Recommended for use in all petrol engines fitted in cars

Performance level : API CD/SF, MIL- L-2104 B, IS 13656 : 2002

Available in :

API CD/SF GRADE

SPECIFICATIONS

Sr.	Properties	SAE Grade		
		30	40	50
1	Kinematic Viscosity, cSt@100°C	10-13	13-16	18-21
2	Viscosity Index, Min.	95	95	96
3	Pour Point, °C Max.	-6	-6	-6
4	Flash Point, COC, °C Min.	210	210	220
5	TBN, mg KOH / gm	6.0	6.0	6.0
