Indel Engineering Private Limited

Profile

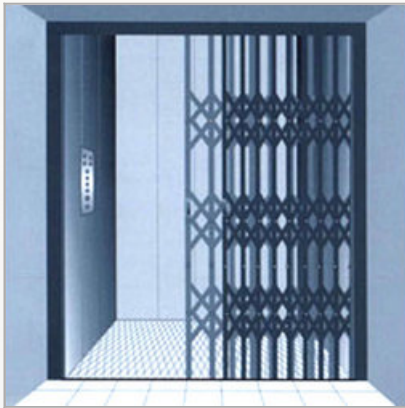

We **Indel Elevators** are amongst the prominent manufacturers, exporters and suppliers of lifts and elevators like industrial lifts, industrial goods lifts, industrial elevators, personnel lifts, hydraulic lifts, goods lifts, door lifts, panoramic elevators etc., that find application in residential, commercial and industrial environment. Apart from this, we also offer associated maintenance and consultancy services. These lifts and elevators are manufactured using high grade mild steel, which provides durability to the product. Further, we pack them using corrugated boxes, cartons and sheets that ensure their safe delivery. Also an ISO 9001:2008.

We have a group of rich experience of technical expertise to provide maintenance services and constancy facilities. To support are entire process of production we have a well equipped infrastructure spread over an area of 3000 square feet with an installed capacity of 3000 units. For the higher efficiency of these lifts and elevators we make use of cutting machines, lathe machines and cutting-die welding machines. Under the able guidance of our mentor, Mr. Kartik K. Nagar and Mr. Kaushik Nagar, we have carved a niche for ourselves. They have an extensive industry experience of 22 years and vast knowledge about the market, which helps us in providing a superior range of products and highly satisfactory deals to our clients.
