Incepted in the year 1988, we have achieved a strong foothold over the domestic market as well as the foreign front. Our qualitative range of liquid filling machines, form fill seal machines, washing machines and filling machines are designed to perfection by our adept professionals who have profound knowledge and expertise in the fabrication of our array. Located in Ahmedabad (India), we are a proprietorship firm and are efficient in manufacturing world class range of machines that are widely used in various industries offering best performance, integrity, and enduring functionality. With credible services we have achieved the reliance of our clients all across the globe. In fact we have a globe spanning network that aids in meeting the requirements of our clients in the foreign front. We are basically a Group of companies and follow ethical business policy that aids in the smooth running of our organization. With well equipped machines, and workforce of 500 people we are able to manufacture machines in customized ranges and in bulk consignments delivering them on time.

Further, we nurture the vision to:

- Be a global Leader in the field of Pharma, Food, Beverages, Machineries
- Be a world Class high-tech company
- Meet our clients expectations by means of our excellent management, our engineering, quality and logistics and our cost efficiency
- Be a global leader in quality products.

Company Specifics:

- Legal status: Proprietorship Firm
- Export status: Export House
- Annual turnover: Rs. 40 Crore
We are a reliable name amongst the manufacturers and suppliers of international quality standard powder filling machines. Dimensionally accurate and functionally superior, these machines consume less power and serve the application needs of diverse industries for a long period of time.
We have emerged as a well established manufacturer, supplier and exporter of liquid filling machines. We offer piston filling & sealing machines, rotary bottle washing machines, automatic bottle filling machines etc. These machines are compatible for filling beverages, bottled water, juices, sauces, liquid soap, shampoo, cosmetic creams and many other liquids.
Cap Sealing Machinery:

We manufacture vof world Class Capping machine which include automatic ROPP cap sealing machines, Linear Capper, Tin Capping machine, Vial Capping machine, Screw capping machine automatic screw cap sealing machines, ROPP cap sealing machines and many more. We also offer customized solution to maximize customer satisfaction.
Optimizing the latest shrinking technology, we manufacture and export a comprehensive range of shrink sleeve labeling machines, such as shrink sleeve machines, sticker labeling machines, automatic sticker labeling machines etc. Available in host of models, these machines are well suitable for pharmaceutical, food and various other industries.
When it comes to manufacturer best quality form fill and seal machines, we are a widely preferred name amidst our clients. Our range consists of auger FFS machines, automatic Powder FFS machines etc. These machines comply the GMP and international quality standards and hence suit the demands of different industries. We offer these high performance machines in strong packaging.

VFFS Machine, Pneumatic
VFFS Machine

Auger FFS Machine

Granule VFFS Machine

Automatic Liquid FFS Machine
We offer durable as well as functional tablet machines, which are available in different varieties such as octagonal blender, V-type blender, double cone blender etc. These machines are made from corrosion proof materials and hence last for long duration. Fabricated in accurate dimension, our machines provide the users hassle free service.
We are one of the top notch players in the segment of industrial machineries & equipment. Different types of lab scale equipments can be purchased with us in large quantities and at unmatched pricing. In our wide range of lab scale equipment, we offer Batch Cookers, Single-Shot Servo Depositor, Small Scale Cocoa Bean Winnower etc.

Rotary Tablet Press

Tray Dryers

Capsule Filling Machine

Colloid Mill
Primarily Sticker Labeling Machines are used for labeling bottles, jars, Inhalers, flat boxes, writing instruments. We are a reliable supplier of cutting edge Sticker Labeling Machines, which are demanded in various segments including Pharmaceuticals, Food & Beverages, Bottling, Minerals & Soft Drinks etc.

Front & Back Sticker Labeling Machine

Automatic Self-Adhesive Bottle Labeling Machine

Automatic Single Side Sticker Labeling Machine

Self Adhesive Labeling Machine
We are one of the leading manufacturers & suppliers of different types of conveyor systems. With us, one can be rest assured of getting quality products at competitive pricing. In our state-of-the-art manufacturing facilities, all types of Conveyor systems, belts, packaging lines etc can be manufactured, allowing us to easily meet the varied requirements of our customers.
Dryers:

Manufacturer of a wide range of products which include Dryers such as Fluid Bed Dryer - pharmaceuticals, Fine Chemicals, Dyes, Food, Fluid Bed Dryer (FBD) and Tray Dryer.

Fluid Bed Dryer - pharmaceuticals, Fine Chemicals, Dyes, Food

Fluid Bed Dryer (FBD)

Tray Dryer
Mixing Equipment:

Manufacturer of a wide range of products which include Mixing Equipment such as Mass Mixer, Planetary Mixer and Liquid Syrup Manufacturing Plants.
Oil Filling machine:

Viscous Liquid Filling machine:

Other Products:

- Fluid Bed Dryer-Starch Derivatives
- Rotary Bottle Washing Machine
- Honey Filling Machine, Pickle Filling Machine
- Lotion Filling Machine & Gel Filling machine
Other Products:

Wed Inserting Machine And Induction Wad Cap Lining Machine

Cap Wad / Aluminum Foil Inserting Machine

Granule Filling Machine, Seed Filling & Rice Filling Machine

Auger Filling Machine, Auger Filler
Other Products:

- Piston Filling Machine, Sauce Filling Machine
- Tablet Counting And Filling Machine
- Shampoo Bottle Filling Machine
- Liquid Filling Machines
### Year of Establishment
- 2002

### Nature of Business
- Manufacturer

### Total Number of Employees
- Upto 10 People

### Standards & Quality Certifications
- Standards & Quality Certifications
- SSI Registration No - (240071117933)

### Major Markets
- Australia/NZ
- Indian Subcontinent
- Caribbean
- East/Middle Africa
- North Africa
- South/West Africa
- East Europe
- East Asia
- Central America
- North Europe
- Middle East
- South America
- South/West Europe
- South East Asia
- North America

### Primary Competitive Advantage
- Experienced R & D Department
- Large Product Line
- Large Production Capacity
