

Puneet Industries

Navi Mumbai, Maharashtra (India)

Corporate Brochure

Our company is involved in manufacturing and exporting of wide array of Autoclaves and Sterilizers. Our medical devices are appreciated for the features like high energy efficiency

Established in the year **1985**, at **Navi Mumbai, Maharashtra, India**, we, “**Puneet Industries**” are one of the renowned manufacturers, traders and exporters of broad spectrum of Medical and Biomedical equipment. Our broad range entails **Table Top Autoclave STD, Fully Automatic Horizontal Cylindrical Autoclaves, Hand Piece Sterilizer, Top Loading Autoclave, Lab Autoclave (Professional), Programmable Vertical Autoclave, Other Autoclaves & Autoclaves for Hand Piece Sterilization.**

Our autoclaves and Sterilization equipment are appreciated by the customers for the features like user friendly functions, operational fluency and enhanced safety. We fabricate our entire range from high quality raw materials such as stainless steel, ingot iron and others in our state-of-the-art infrastructure. Our infrastructure is developed on large area and consists of multiple departments that enable us to fabricate Autoclaves & Sterilizers as per **ISO 9001:2000** quality standard.

We continuously improve our production and other infrastructural facilities with the new and innovated machines and tools to reduce the production costs of Autoclave and Sterilization equipment. Besides manufacturing operation, we also offer installation and maintenance services to our valued customers. Our installation and maintenance services are rendered by the efficient engineers and repair technicians working with us.

We offer our machinery products and after sales services at affordable rates. Moreover, to compete with the business rivals, we have implemented several client centric measures such as ethical business policy, convenient payment modes, quick delivery through an expanded marketing network and many more.
