Amardeep Seating Systems

About Us

The company was established in year 1992 under the guidance of Mr. Deepak Shah. The vision of our proprietor has seen it grow at a tremendous pace and today the company is regarded as a pioneer in the craft of seating systems with an impressive turnover of Rs. 400 million. Amardeep Seating Systems is a professionally managed ISO 9001: 2000 certified organization, which is known worldwide for manufacturing, supplying and exporting a diversified assortment of furniture.

The range of furniture and seating systems manufactured at Amardeep are well appreciated by a loyal client base because of its durability, reduction of fatigue while working long hours, easy maintenance, exclusive colors, polished surface, finished edges, various sizes and a host of other features. At Amardeep the understanding of seating systems and its technology goes hand in hand with the passion for the craft. The inspiration is the craft itself strengthened by a passion for enduring forms. The work can be seen on the premises of clients related to architecture, interior designing, interior decorations, hotel projects and institutional projects.

Broadly classified according to usage to avoid confusion our range of chairs is in great demand globally and has helped us create an exemplar in design productivity. We proudly acknowledge our passion and drive that has helped us reach this far. The foresight and direction given by our promoters has enabled us to produce products that our clients continuously want to relax in. The comfortable furniture offered by us is ideal for longer hours seating and our director guides us to spare no effort for the comfort of our clients.
