# SUPERWELD AGENCIES

34-D/B-2, LAWRENCE ROAD, NEW DELHI-110035 Telefax: 011-47063872  
Mobile: 9810633395 Email:superweld.agencies@gmail.com

We feel pleasure in introducing our company SuperWeld Agencies as leaders in helping Indian Industries in the field of

- Maintenance welding (wear protection, alloy steel joining-buildup)
- Repair & maintenance Spray Chemicals. (cleaners, insulators, protective coatings)
- Industrial greases and lubricants,
- Epoxy sealants, Floor coatings and Protective coatings on Metals.

We are technical advisors and distributors of Industrial maintenance Products.

Established in 1995 , with over 15 years of hands-on experience in India & overseas , our expertise includes names like Chesterton, Petro Canada, ESAB international, Kestra Germany, Eutectic Castolin, Stoody, Thyssen, Wall Colmonoy, Cogne, Thermodyne, Sentinel ,Orelube, kjelberg, Lincoln welding and many more

We help Industries to save enormous amount by selecting and supplying the right Maintenance products & processes with our help. We also train people for Maintaining equipments, longer component life, lesser downtime and better productivity.

Our activities also include.

1. Holding technical seminars on Maintenance Techniques and products for Mechanical, Electrical, Utilities Departments of Industries
2. Basic training in maintenance for technical staff of our customers.

Our Technical sessions are designed to understand wear factors, maintenance problems, and breakdown issues being faced and suggest appropriate techniques and Products to handle them.

We are associated with a few selected manufacturers covering a wide range of Industrial maintenance products. All of them have very organized research and development setups. Which eventually benefit our customers.

Our Association with **M/S Diffusion Engineers, Nagpur** for the past 2 ½ decades.

With Diffusion we have offered the industry a wide range of Lo Temp and Anti-wear Alloys to suit the reclamation needs, Wear Plates, Flux cored wires, Cold repair compounds, Alloy steel joining and build-up products.

We are also associated with **M/s Monarch Industrial products, Tamil Nadu**. They are leading Manufactures of Epoxy based compounds which can act as sealants, Floor coatings, metal reclamation putties. Their products enable us to cater to civil and utility department of industries.

These are coatings which can provide protection against corrosion from acids, moisture for very long time frames. They also protect from furnace, chimney, sun light heat, and keep metal and concrete structures preserved and intact.

Our association with **M/s Twin Tech India (p) Ltd, Secunderabad** enables us to bring to industry the latest Maintenance Spray Aerosols. These Aerosols come in 700ml can sizes and are use ful for cleaning Mechanical to electronic equipment. They protect from dirt and contamination by insulating coatings. Can Lubricate and provide corrosion resistance to seized assemblies, motor bike chains etc..
