

**Speciation:-**

- |                                   |                         |
|-----------------------------------|-------------------------|
| 1. Shim Size                      | : 200mm X 250mm         |
| 2. Process Control Current & Volt | : Motorized Variable    |
| 3. Temperature Control            | : Programmable          |
| 4. Cycle Duration Control (Timer) | : Programmable          |
| 5. Voltage                        | : 230 Volt A.C. – 50 Hz |
| 6. Power Consumption              | : 5 Kw max.             |
| 7. Pump & Filter                  | : Included              |
| 8. Weight                         | : 300 Kg (Approx)       |
| 9. Apx. Dimensions                | : 1 m X 0.6 m X 0.6 m   |
