

Silvol Glide 20W40

SILVOL GLIDE 20W 40 is a superior quality multigrade oil for both diesel and petrol engines made from high viscosity index base oils, selected VI improvers, friction modifiers, detergent, dispersants, antioxidants and other high quality additives.

Product features :

- Ideal for both petrol and diesel engines
- Anti-corrosion, Anti-foam , Anti-wear, Anti-friction properties
- Excellent oxidation resistance
- Excellent detergency & dispersancy level
- Anti thickening formula
- Reduced exhaust emissions
- Compatible with catalytic converters

Consumer benefits :

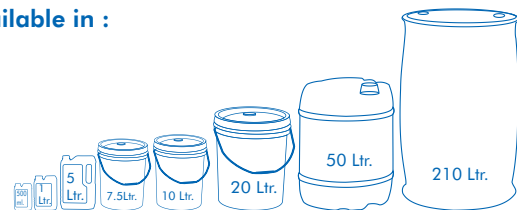

- Exceptional engine protection
- Increased engine life and longer oil drain interval
- Low engine maintenance & longer battery life
- Smooth running in all climatic conditions
- The High Viscosity Index Oil helps in easy cold starting and retains adequate film over a wide temperature range
- Very efficient anti-deposit and anti-black sludge power which maintains a clean engine

Applications :

- Recommended for use in all naturally aspirated diesel engines fitted in trucks, tractors, buses, LCV's and generator sets
- Recommended for use in all petrol engines fitted in cars
- Recommended for pump sets and D.G. sets

Performance level : API CF/SF, MIL- L-2104 C, IS 13656 :2002

Available in :

API CF/SF GRADE

SPECIFICATIONS

Sr.	Properties	SAE Grade
		20W 40
1	Kinematic Viscosity, cSt@100°C	13-16
2	Viscosity Index, Min	110
3	Pour Point, °C Max	-21
4	Flash Point, COC, °C Min	220
5	TBN mg KOH / gm	7.0

* The specifications are subject to variations / development / customization
