As well as the latest speeds, Verbatim media is also available with a printable surface. Where previously colours could appear uncertain, dull and somewhat from those of the original image, with Verbatim's printable disc surface they are now as rich and deep as the original. The printable discs are also available in a glossy finish. As with printing your photos, you can choose from a glossy or matt finish for perfect results! Wide printable surfaces are also available so an image can be printed right up to the central hub of the disc surface.
