

## Silvol MultiFleet CI-4 15W40

SILVOL MULTIFLEET CI-4 is a very high quality shear- stable diesel engine oils formulated with selected group II base oils and world class additive package. The additive used in our formulation is designed to cover a premium profile including API CI-4 , ACEA E5/E7 and Volvo VDS-3 approval. Multi Fleet diesel Engine Oil, the latest generation engine oil, is designed especially for heavy-duty diesel engines with EGR system.

### Product features:

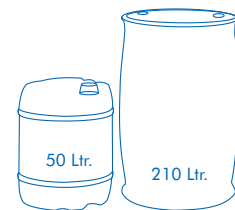

- These oils possesses premium performances in retaining the viscosity, manage the damaging effects of the engine environment, controlling dirt, neutralizing acid and fighting oxidation.
- Premium detergents and dispersants are employed to flushing and dispersing soot and deposits formed in service, and controlling successfully sludge and piston ring deposit formation.
- Excellent rubber compatibility is effective on seal materials and leakage control. Lower evaporation loss is great benefit to emission, less top up, fuel economy and long lasting oil prolonging engine life.

### Applications:

- It is recommended for all type heavy -duty engine with or without EGR system.
- HCV vehicles like Tata Motors, Ashok Leyland, Valvo etc.
- Also suitable for LCV vehicle of other models.
- These oil can be used in place of CD, CE, CF-4, AND CG-4 and CH-4 oils.

**Performance level :** API CI-4/SL

### Available in :

**CI-4 GRADE**

## SPECIFICATIONS

Sr.	Properties		SAE Grade
			15W40
1	Kinematic Viscosity, cSt@100o C	Min	14.5
		Max	16.3
2	Viscosity Index	Min	135
		Min	135
3	Flash Point, COC, °C	Min	210
4	T B N	Max	10

\* The specifications are subject to variations / development / customization
