### About Us

Engaged in manufacturing, supplying and contracting fire detection, fire extinguisher, fire fighting system, fire alarm systems and safety equipment. our products are well reckoned for their high performance, durability and reliability.

Established in the year 1993, we, Cross Fire (India), are a well reckoned organization engaged in manufacturing, supplying Fire Detection and Safety Equipment under the brand name of "CROSS FIRE". Along with this we are also a prominent dealer and contractor of some of our products.

Owing to our quality based business, we have been a well known player in the field of fire protection, Fire Fighting & Fire Safety Engineers. With a highly sophisticated state-of-the-art infrastructure and highly skilled professionals, we have been able to carve a niche in the industry. Apart from our manufacturing company, in the year 1993, we have also established our FIRE SAFETY SERVICES company. We have mastered in studying human behavior based on which we have come up with innovative Multi Purpose Fire Extinguishers and other equipment.

We have been guided by our mentor Mr. M D Sharma who has a rich industrial experience in our domain. It is through his able guidance, we are able to progress at tremendous speed to meet the international market trends.

## Fire Extinguisher
