**SHAKTI ENTERPRISE**

WE FEEL CUSTOMER NEED

- Profile -

Established in the year **2009**, we, “**Shakti Enterprises**”, are one of the prestigious trader and supplier of all types of Pumps. Apart from this, we also provide excellent **installation** as well as other **after sales services** as per our clients’ convenience. Strategically located at Ahmedabad (Gujarat, India), we are a partnership firm. By supplying a quality proven and superior range of products, we have been able to earn up to Rs. 1 Crore annually. Our organization is backed by rich and proficient vendors of the market. All the vendors’ hold rich industry experience; hence provide us distinguished product range as per the individual demands of our clients.

Furthermore, our in-house professionals are also aware about the prevailing market trend and test the products accordingly. Leveraging on our transparency in business dealings, we have met the demands of automobile manufacturing industries, boiler feed water, effluent & water treatment and cooling towers.

Under the dynamic leadership of our mentor, “**Mr. Dhaval Joshi**”, we have been able to gain a strong foothold across the domestic market. His business acumen, rich industry experience and visionary approach have helped us win the confidence of our valued clients.
