2. Residence Vastu

CONSTRUCTION OF RESIDENTIAL BUILDING

In residences, Vastu is the most important thing. Our customers need to understand that which room should be constructed in which particular direction. If this is not measured at the time of planning and executing a house, the entire building may go contradictory to the ideology of Vastu Shastra and it may invite a lot of troubles, causing serious harm and loss to the owner / inmates.

SOME OTHER RELATED TOPICS

1. Doors of each room should be facing East.
2. Bedrooms should be in South and West.
3. Placement of mirrors on South and West wall are inauspicious.
4. While sleeping head should be in South or West but never in North.
